

Y-Farms Kennels

Basic Obedience Commands

Here: come to you when called

Heel: walk at your left side at your pace & not pulling (on & off leash)

Sit: sit down & stay sitting (the word "sit" is used both for sit & stay)

No, Sit: (do not jump up) correction that is used for unwanted jumping on a person

Kennel: get into dog run, dog crate, or load up into a vehicle/ATV

Out: go outside for playtime or to potty

Quiet: command used for a dog to be silent in the crate, kennel, or indoors.

We will also address any behavior issues that you are having at home such as excessive barking & overall manners.
